

Ottawa Friendship House

Serving Adults with
Developmental Disabilities

Respite Care

Everyone has fun!

Children and adults with special needs
enjoy creating a new friendship.

Caregivers
enjoy a healthy break.

**We now offer families
reimbursement of up to
\$100 per month for
respite services. Call
today for more information.**

Easter Seals and Ottawa Friendship House

have partnered to offer families quality respite care. Respite services support parents and other caregivers by offering intermittent care so they can meet their family needs and recoup their strength to continue fulfilling their care giving responsibilities. Care is offered individually to families or in a group setting. By facilitating respite provider seminars, conducting finger printing and background checks, and coordinating CPR/First Aid certification, we are able to provide families with a directory of quality respite providers.

How do I register for Respite Services?

Contact Pam Gast at Easter Seals in Ottawa by calling 815-431-9126 or emailing pgast@il-lb.easterseals.com
